

Important Notes: All of these Prayers can and should be modified to your own desired outcomes, and these prayers should feel good to you as you are reading them off to Our Creator. For example, if you suffer from Diabetes you can write, "Heavenly Father + Holy Spirit + Our King Jesus Christ: Please help me normalize my blood sugar levels and send us on an Alaskan Cruise soon". These prayers are very powerful. Also in addressing our Creator, you can use either HASHEM, which means the Name of God, and you can also use My Heavenly Father, whichever feels better to you personally. This is based on the Third of the Ten Commandments not to misuse His Name. Please only use these two Names of God.

Also, it is important to attend our Meetings because you will need a Good Support System, which you will have in Other People, and you will need the resources and giftings of other people as far as Healing is concerned.

I have included personal notes in these prayers. These are only my opinion, I hope they help you.

Thank you!

Prayers for Physical and Mental Healing.

Important Notes: Of course with the myriad of health problems, you will have to modify this prayer to your own health concerns. This is a True Message from God that God, the Holy Spirit gave to me and taught it to me.

In addressing all of these prayers to Our Creator, there are two elements that are absolutely essential, and these two elements are: When addressing these Letters to God, always include the Holy Spirit in your prayer. The Holy Spirit needs your Permission to help you, and this is a Rule that He must follow. By Praying this way out of your Prayer Notebook, you are giving Him Permission to help you. And Secondly, you must pay attention to the Voice of the Holy Spirit and what the Holy Spirit is telling you to do. In my own experience, I was in much hip pain and it was painful walking sometimes. I began praying these types of prayers out of my prayer notebook, and about a week later, the Holy Spirit's Voice came on me very strongly to start running. His Voice came on me very strongly and would not let up. So I started jogging to Food Lion and back, but breaking it up with walking distances/ I started getting in shape and felt so much better. Later I felt compelled to get some Black seed oil, and I took a teaspoon every morning. Something inside me kept telling me to keep taking it. I was stunned a few weeks later when I was in the Target parking lot that there was no pain at all! I felt great. You must have Character of prayer, and read off your prayer every day, whether you feel like it or not, and secondly you must follow through with what the Holy Spirit is telling you to do personally.

Also, stay away from 'Mechanics.' Just because for instance, something worked for me once does not mean it will work for you. The Most Important thing is Listening for and obeying the Voice of the Holy Spirit and following through with that instruction, And also the Character of your prayer, Pray, Pray Pray. It must be written down with your own handwriting, and be read off to Our Creator daily.

Also, there is a practicality with God. There is all types of resources around you that you are not aware of that can help you. For instance if a heavy man writes down, "HASHEM + Holy Spirit please help me lose my gut and get in shape and build muscles", there is a simple kit the Holy Spirit may direct him to that he can lose this weight very fast. There is people around you that can help you in different ways. There is a practicality with God. If there is something very serious that cannot be addressed, such as deformed bones, there is also the Power of God in Miraculous healing.

There are also very good brain supplements on the market that can help with memory and concentration.

Just pray, pray, pray and Listen for His Voice, and you will be amazed at what God will do in your life.

Thank you.

Physical Healing:

**To My Heavenly Father + Holy Spirit + Our King Jesus Christ:
Hello, my name is _____, and I am really needing Your Spirit and Your Power to get my health and life back.
HASHEM + Holy Spirit + Jesus, Please heal me or show me and teach me what to do to help my High Blood pressure and Diabetes, and also help me lose weight, and teach me what to do so that I get my health and my life back.
Please help me be strong and Powerful in my body, and also please remove my gut, and my back pain. Holy Spirit I am giving You permission to help me and I will be listening to Your Voice.**

Holy God I thank You so much for all that You have given me and I appreciate it so much. Please help me in these areas of my life. I thank You for my healing in the Name of Jesus Christ.

Amen.

Mental healing:

**Dear HASHEM + Holy Spirit + King Jesus Christ:
I wanted to thank You for the blessings that You have given me in the past,**

like my family and friends, and for Jesus dying on the cross. In the past I have had problems with my memory and focus and concentration, and also please help me with (Name of past traumatic experiences) and please help me to forgive (name of person who wronged you) and take away the bad feelings of anger and replace those feelings with feelings of love.

Thank you so much for helping me, and Holy Spirit please teach me and show me what to do for me to thrive, and be really happy and excited and have good friends around me, and have a good support system around me. Jesus, thank You for dying on the cross and helping us.

In the Name of our King, Jesus Christ.

Amen.

Opioid Crisis and Drug/Alcohol Addiction Prayer

Many people think of course that addictions are brain related, but I do not think that addictions are related to your brain but are spiritual attachments. There are what I call Sin Cords, these are cords of attachment that draw you into, for instance Alcohol or it can be video games. When we are born, the doctor cuts the umbilical cord connecting us with our mothers. But as we grow up we form spiritual attachments with sin and we crave addictions of many kinds. Jesus spoke of being “born Again” and this involves a cutting of these Sin Cords, freeing us up from these attachments. In Job 36 verse 8 we read “And if they be bound in fetters, and be holden in cords of affliction;” And we read in Isaiah 5:18 “Woe unto them that draw iniquity with cords of vanity, and sin as it were with a cart rope:” This is why will power is simply not enough. We must give the Holy Spirit permission to cut these sin cords and be free once and for all. You will hear people say in a prayer meeting that they asked Jesus to take away the desire for cigarettes away from them and it amazed them that after that they had no desire for cigarettes. This is why, they gave Jesus and the Holy Spirit permission to help them and the Holy Spirit cut the sin cords, attaching them to the addiction. I hope this helps you. Remember to write it down and modify it with your own feelings and situations, and read it off to God daily.
Thank you.

Dear HASHEM + Holy Spirit + Our King, Jesus Christ:

Hello, my name is _____ and I wanted to Thank You for everything that You have done for me in my Life. Holy Spirit + HASHEM, I am having a real problem and struggle with this drug/alcohol/ or opioid addiction in my life. Please take away the desire from me for drug/alcohol/ or opioid addiction, because I really need Your help, and I would be so grateful to You for helping me out. Holy God, please help me also have an Understanding of Your Laws and Your ways. Please help me with these problems and please give me the Courage and the needed strength to Listen to Your Voice and to live a successful happy life. Please also bring around me good people that I can connect to so that I can have a support system. I Thank You for all these things in the Name of Our King, Jesus Christ.

**Amen,
Sincerely, and with Love,**

A Word to People.

Hello. I wanted to take a moment and say a few words to you. I think I have a Message from God to you and I could really use your help and support. Because of censorship it is very hard to speak to the masses so I could really use your help in a grass roots effort. The importance of communication between me and you is important, so I can tell you where we can meet, at which park or something. I have a website, but we need to have good phone communication to bypass all of the censorship of Social media. I have your phone number and you have mine, so we can organize something together. Also, I need the aid of your giftings and the things that God has put in you. This is essential for the building up of the saints of God and also the sheer numbers of people that God will soon give us, so that we can all worship Him in Unity. And we can worship God in Unity and be in the same Spirit (the Holy Spirit) and we can all be on the same page, Literally. We will all have commonalities and depth, so we together will break down barriers between Racism, and economic differences and begin the vital healing of our Nation. Remember, I need your help, because without your involvement, we will have nothing.

If you will read Nehemiah chapter 8, this is basically what I want to do with you. We will meet at a park somewhere and together we will read off aloud portions of Scripture, and we will pray together from our prayer notebooks, and we will overcome our obstacles together and with God, we will create an environment of Love, and Fire and Power!

My plan is to do this formula Monday thru Friday, rest on the weekends.

I am certain that this plan is from God, and I want you and me to be a part of the most exciting move of God that this world has ever known! Be a part of something great, and there are some things that I can promise you.

God is going to do something amazing in your life, but get plugged in! Also, this is not false hope, it is absolutely real! It is provable with proven methods, but it might take some initial courage.

I would like you to please do this with me at least for a few days, and you will see that the possibilities are **endless**. **I want to prove it to you and demonstrate it to you, and then we together will get every person and want them to get involved. I just want the opportunity to prove to you what I am saying, and begin the healing of the United States.**

Thank you!

P.S. Please call me up and I will give you some instruction, and the meeting time and place. (336) 482-7673. One thing that I can promise you, and I can give you this guarantee, is that you will not be wasting your time!

And secondly, I can guarantee that if you adhere to this, you will eventually do something Amazing in your life, and you will do something Great for God!

Thank you.

Prayer for Homelessness.

Homelessness, is one of those things that in this type of prayer should get an immediate response from God, because of the seriousness of the situation. Once a person who is homeless starts praying this way, something will happen soon, like somebody will take them in or a room will become available. Something will happen pretty quickly to get them into shelter. There is also the issues of recovering him that put them in that situation in the first place. The key take away is prayer, prayer, prayer, and adhering to what the Holy Spirit is telling them to do. Common sense tells us that homeless people in Los Angeles should move to a different area of the country because who can afford 3500.00 a month in rent for an apartment?

I would be very appreciative if you would please call me up (336) 482-7673 and together we will do this together to have a new beginning and a hope for people. Amen!

Thank you for reading.

To My Heavenly Father + Holy Spirit + Jesus Christ:

Hello, my name is _____ and I really need a place to live in, a home, and Holy Spirit, please take away the desire for drugs/ alcohol/ and other addictions away from me, and please help me find a place to work at, and HASHEM, please get me a great place to live and help me with my everyday life.

Holy God, please restore my life and my health and my relationships, so that I can feel manly again. Please restore my family to me and bless my family and put Your Protection around them. I bless You for all these things in the Name of Our King, Jesus Christ.

Amen.

Prayer for Restoring Cities to Greatness.

There are cities that of course have been ruined either through Drug abuse or economic depression, such as Seattle or Detroit and many other cities. But while there are so many social problems, and so many other problems, I honestly believe that there is only one solution to all these problems, no matter how devastating, and that is Knowing the Power of the Holy Spirit. The Holy Spirit is the Greatest Power for Good in this world, and worldwide the biggest problems facing all of humanity is that they do not know the Power of the Holy Spirit, they just know about the Holy Spirit. This is my honest belief.

I believe that God desires to heal our nation and the world from past trauma and abuse and years of bad thinking.

Please help me because I could really use your insights and talents to help our nation.

Thank you.

Dear HASHEM + Holy Spirit + Our King Jesus Christ:

(corporate Prayer/ We the People.)

We wanted to Thank You for all the Blessings that you have poured out upon this Nation, and HASHEM + Holy Spirit + Jesus Christ, please forgive us of our past sins and we now repent of asking our leaders to change things, but instead we come to You. Please help us and give us direction and motivation and comfort, but Please help our City and take away drug addiction and end homelessness and other problems that we may have.

HASHEM + Holy Spirit, with Your help, help us make this city one of the greatest, fun cities in the world, and let people from around the world want to come and visit this city that they will be in awe of Your Greatness, and the world can see what You can do in people's lives, So that You can be Glorified in the whole Earth. We ask all these things in the Name of Our King, Jesus Christ.

Amen.

Sincerely and with love,

Post Traumatic Stress Disorder for Veterans.

I have never been in the military, so quickly I looked up online a few things about PTSD. So honestly, I really know nothing about what you guys went through. But one thing I Care deeply about is making a free Nation, and a big goal of mine is to Pass the Torch of Freedom to young kids, so when they become adults hopefully they will never take for granted their liberty.

One thing I do believe is that when we get well, with whatever we have been through, whether it be alcohol or drug abuse or gambling, is that God will put us back to help other people that are like us. So veterans will probably end up helping other Veterans.

I love you guys, and I can say that honestly from my gut. This project of HSC and the Healing of America, is a big deal to me, because this nation across the board needs Internal healing, which I cannot provide, only the Spirit of God can do this. Psychology and Psychiatry will of course do nothing.

Please re write this prayer to your own liking, and I can really use your involvement and help, because there is such a great need for Unity and Mental healing. If you can, please attend our meeting, I would like that.

The Holy Spirit will begin taking over your prayer life when you show character of prayer with your Prayer notebook.

Thank you.

To HASHEM + Holy Spirit + Jesus Christ:

Hello, my name is _____ and I was in the (Branch of Military) and I have always felt love and patriotism for the Country I love, the United States of America. I have seen some terrible things in my life, but Holy Spirit + HASHEM I want you to give me a calmness and peace in my life, that I am really a Good person, and I have a great promise of hope and happiness in my future. Holy Spirit please from now on give me a really good sleeping pattern, and tell me what You think my real purpose is here on this earth is. Please help me forgive myself and others. And God, let me see the good things in life, like (name a few things that are really good in your life.)

I thank You for all these things in the name of Our King Jesus Christ.

Amen.

Sexual Identity Problems for Men and Women.

There are two issues I want to say. First of all we live in a Society and with a government that is highly Satanic in nature, there is an Anti Christ Spirit that is prevalent. And there are demonic forces in people. If you are a disruptive, and you are a hater of God, and you want to prove your hatred of God by being disruptive and agitator, by proving how disgusting a vile and vulgar you can be this is not for you. These are political agendas meant to prove their hatred of God for whatever pissed off feelings that they have had. This is not for you if that is you. This is for the healing of a Nation, which God desires to perform, and I include this prayer here because this is a community, a segment of the population. Secondly no matter your own pissed off feelings, there are those young people that need a healing from God, and nobody has any right to get in the way of that. This is for people that want a touch From God, and I am just the facilitator. I just want to step out of the way and let God have His way with people.

Like the previous prayer for Veterans, I have no experience in this, so you should re write this prayer to what is going on with you, if it is forgiveness issues, or past trauma, or whatever the underlying issues are.

Since 2012, I myself have tried to Listen to the Voice of God, and this is a part of that. So of course you matter a lot to God. Of course you matter to Him.

Thank you for reading.

Dear HASHEM + Holy Spirit + Jesus Christ:

Hello, my name is _____, and I really want Your Forgiveness and also Your mental healing. I suffer with very serious bouts of depression and anxiety and I have had suicidal feelings. Jesus + Holy Spirit I desperately need Your help to restore my mind, my mentality, and please bring around me people who also Overcame obstacles in their lives, and I do want to be a part of something Great, I do want to be a part of Your Kingdom.

Jesus, please forgive me for believing wrong beliefs are okay, instead of wanting to correct these problems, but I just did not know how. I need Your Spirit and Your power in this life, and Jesus I want to go to heaven.

I ask all these things in the Name of Our King Jesus Christ.

Amen.

The Romance between God and Humanity, Dating.

There is a Romance between God and humanity, and a Romance is how God sees it.

God spoke to the prophet Hosea to marry Gomer, who was a prostitute,

And she caused Hosea much grief, because she went back to her old ways and into her old sins of taking on many men. Hosea bought her gifts for her to return to him, but she brought the gifts to baalim, a false god.

In Hosea's hurt, he wrote one of the great pivotal chapters in the bible, Hosea chapter 4, where he wrote "1 Hear the word of the HASHEM, ye children of Israel: for HASHEM hath a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land.

2 By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood.

3 Therefore shall the land mourn, and every one that dwelleth therein shall languish, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away.

4 Yet let no man strive, nor reprove another: for thy people are as they that strive with the priest.

5 Therefore shalt thou fall in the day, and the prophet also shall fall with thee in the night, and I will destroy thy mother.

6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

So we, all of us, is the prostitute that God is married to, and He helps us and gives us gifts in our absence of knowledge about Him. And he is saying "Come back, My people. Come back My sons and daughters,"

I feel very confident in saying that God has a desire to heal people mentally, spiritually, and emotionally, and that this plan of HSC is God's plan that He unveiled to me for America. This is God's plan for America and I am just the facilitator. I think that this is God's will for reasons that we cannot see at this moment.

So in this Romance between God and humanity, in this perfect world of His desire for His people, we can picture in our minds of a young man who has recently adopted HSC, so he is on the right path. And he reads from his prayer notebook, and prays to the Holy Spirit and Listens for His Voice, than something amazing happens. The Holy Spirit reveals to him that one day he will be a world class guitarist, and he will have a great ministry in music. But while he is fumbling with chords, he has no idea of how this can possibly happen; there is no way in his thinking. He naturally sees all his faults, his fumbling fingers and such.

But he has no idea of what God is doing. A hundred miles away there is a young woman that is a music major in college, and she is a Christian who has certain traits. What neither of them know is that their Heavenly Father has begun ballroom dancing with her, while whispering in her ear about teaching her of His Ways.

While their Heavenly Father is ballroom dancing with her, He eventually taps the young man on his shoulder and says, "Now you dance with her."

And this dance surely is awkward for a while. But God is screaming in his ear, "This is the one that I have picked for you."

That is just my opinion on how dating actually works ultimately in the kingdom of God.

The theme for Men: "Find your calling and she will meet you there."

In my thinking this is the best way to go about dating. Although HSC has taken many years for God to download into my brain, the shortest route is a straight course, a straight line. Just follow this discipline, trust the leading of the Holy Spirit, and see the blessings of God.

Thank you for reading.

For Men:

To HASHEM + Holy Spirit + Our King Jesus Christ:

I wanted to Thank You all for all the past blessings that you have given me, such as (name a few things that are good in your life), and from now on Jesus, I will take a stand for You, that You are the Way, the Truth and the Life, and I will stand for Your ways, and I will defend Christian Principals, and with Your help, I will defend my Nation against all enemies, Foreign and Domestic, and against crazy ideologies.

And Also Holy Spirit I am dedicating my life to Listening for and

Obeying Your Voice, and please teach me Your Ways, and show me what my purpose and calling is here on this earth.

Please send me the persons who will help me carry out Your Visions in my life.

I ask all these things in the Name of Jesus Christ.

Amen.

The Theme for Women: “Obedience to God is for the preparation of something better.”

I will just say that this truly is a message from God and it cost me a lot. In a sick mentally ill society, one of the greatest needs is godly women. The need is so great that you cannot imagine. Only you can start forest fires.

Thank you.

To the Women:

Dear My Heavenly Father + Holy Spirit + Jesus Christ:

Jesus, I just want to thank You so much for dying on the cross for me, and I want to thank You Holy God for all the past Good things that you have done for me such as (name some things that are good in your life).

HASHEM + Holy Spirit please show me or teach me what You want out of my life, teach me how to be godly in a world where only evil exists, and help me stand against evil forces that would come against me.

As You teach me Your ways, HASHEM + Holy Spirit, please prepare me for something better in my life and show me what my future will look like. I ask all these things in the name of Jesus Christ.

Amen.

Depression/ Loneliness prayer.

Depression and Loneliness is of course very serious social problems that we have, and to some degree we have all experienced this. It may seem unbelievable that God would raise a man up, and that He would Unveil a plan for America to him. I fear God a lot, but that is exactly what happened. I am convinced that HSC is that plan to start reversing so much evil and hatred, and to heal Our Nation.

Because believe me when I tell you, that if we do not have a plan for America, there are men who DO have a plan for America. And you will not like it.

I believe God has Unveiled this to me, and in that, this is *NOT MY IDEAS, BUT IT IS GOD'S IDEAS. And this is provable with provable results!* This is what God taught Moses for the children of Israel to follow, and it is solid advice.

So do not discount what I am saying, please call me up (336) 482-7673, so we can organize something together. Once you call I will tell you which Office Depot to go to so you can print out Your Temporary Prayer notebook, and this document, Prayer Packet HSC.

Then simply pick out some prayer and modify it to your liking and transfer it to your Prayer Notebook. And we will meet together somewhere to begin the process of doing things right.

Christians, this is not just about you. There are people that need something to work in their lives. Drug addicts and depressed people. So please heed the call of a Holy God.

Come outside of your comfort Zone. And see what God will do.

Thank you for reading.

To Our Heavenly Father + Holy Spirit + Jesus Christ:

Holy God, I am very grateful for all that You have done for not only me, but You have done for humanity as well, for Jesus coming down from Heaven and being born a man and dying on the Cross for all of our sins. I also thank You for the Precious gift of the Holy Spirit, which is the Greatest Gift that we can have.

HASHEM + Holy Spirit + Jesus Christ I want to get outside of myself and I would like You to put me in some service for other people; and also bring around me like minded people that have also adopted HSC.

I am committing myself to adopt HSC in my life to change things in America for the better, and to take back our Nation from tyrants and Corporations.

I will do my best to stand with others who adopt HSC, and we will win, because we are winners and it is Your will that we win.

Bless America as You help us and work through healing our social problems. I will listen to Your Voice.

I ask all these things in the Name of Our King Jesus Christ.

Amen.

Healing from Fear/ Anxiety.

What Christians must get a grip on, and I also must get a grip on, is we are in a War, and we cannot be Nice and Cordial to people who want to destroy us. We cannot be loving and kind to evil people that have done 9/11, put traumatic events in front of us and forced us to take their psycho bullshit. This is War, play War, they will like it.

When you come to the meetings, I will talk also about other topics such as meditation, and Unplugging from this world system, and spiritual warfare. To give you a heads up, stay away from television, no news, no Lifetime Network, no dramas, no nothing.

This is such a pet peeve of mine it has to come out. But we will also have free open discussions as a group to talk about things that are important to us, because severe mental and emotional trauma was inflicted by very Dastardly people with nefarious purposes on us.

HSC is the Counter acting of this Trauma. And the Healing of a Nation, which they do not want. Bypass all the censorship! Call me up and let's organize something together.

Thank you for reading.

Dear HASHEM + Holy Spirit + Our King Jesus Christ:

As I unplug from this world system please take away any mental blocks holding me back from a life of Courageous Service to You. Take away all Fear and Trauma, and I will no longer give people who broadcast terror access to my brain, because my brain and mind is too precious to be destroyed by perpetrators of evil. HASHEM + Holy Spirit give me a life of Power and Victory and no Fear at all except in My Holy God.

Holy Spirit put Your Curses upon all the instruments of terror and Propaganda, such as the Neuro -Weapons experts, and the Brain washing experts, and psychiatrists who work for the different agencies and the Propaganda Media to instill terror and trauma on all Americans as their Prey.

HASHEM + Holy Spirit give me total liberty and freedom from all past fear and trauma, and give me a life of Courage as I begin Unplugging from this World system. I ask for all these things in the Name of Our King Jesus Christ.

Amen.

Healing from Physical Disabilities.

We are talking about the Power of God performing Miraculous healing to the body, because it is outside human control or knowledge. Things such as bone deformation, or total blindness, or severe birth defects that cannot be corrected with medical science. This is something we would all like to see. It is possible.

Here is where you come in! In the Azusa Street Revival in Los Angeles from 1906 to 1909, people's teeth would grow back and people's amputated limbs would grow back, because it was a *GROUP OF PEOPLE that also had the Power of God, and they were also Listening for and Obeying the Voice of the Holy Spirit!*

And they had incredible miracles! There are books that have been written about it. I think that it was mostly the women who did the healing, from what I Understand, under the leadership of Willie Seymour.

True healing is almost never a circus act, but is when groups of people come under the leadership of the Holy Spirit and get themselves out of the way, and there is absolute Love present.

So come on out and have some fun.

Thank you.

To Our Father + Holy Spirit + Our King Jesus Christ:

Thank You for helping me so many times in helping me overcome my sins and addictions.

HASHEM + Holy Spirit + Jesus Christ please heal my right eye of blindness, and also take away the back pain and let me walk and run good so that I can get off all disability.

In the Name of Jesus Christ.

Amen.

Finding a job/ finances.

This is my least favorite topic, because getting a job or career signifies slavery and the futility of it all. Sure, of course get a job and pay your rent, of course. But with all this dispersion of energy, what do we get in return? Do we come home to a happy family, a nice home, a nice car and kids in college?

No, we get divorce, stress, kids on drugs, alcoholism, and slavery to a system. My opinion is that this entire system is on its way out, and all of this concentration of evil that we face as a Nation is due primarily because in my belief we are going into a New Heaven and a New Earth, as prophesied in Isaiah.

Our planet is simply too Toxic, and this toxicity is affecting our health, our brains and our minds, and is affecting our sex and relationships. We need a New Heaven and a New Earth, free of cell towers and radio frequencies.

I will talk about that later. Thank you for reading thus far.

**To my Heavenly Father + Holy Spirit + Jesus Christ:
Please bring me to the right person to talk with them to get me a good job or career. Please heal my body and help me find a good job, in the name of Jesus.**

Amen.

Forgiveness; Anger and Rage prayer.

Forgiveness I think may be one of the hardest things to do in your life. It can extend to years, like a constant reminder of what happened. I still am triggered by certain things, so all I can offer is some things that have helped me. Re write this prayer with your own feelings and thoughts and pray this daily. Refocus your thoughts into seeing what they did that was good. This is mostly for myself, but stay away from triggers and conversation topics that bring bad feelings up, like an ex spouse. (in this last scenario, I definitely need work. I cannot write the book on this thing.) We all struggle with this thing probably. I am getting better though.

One thing that did seem to help me was Isaiah chapter 55:7-13. I wrote this down in my prayer notebook and read it off every day. That helped me a little.

This is what it says: 7 Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the LORD, and he will have mercy upon him; and to our God, for he will abundantly pardon.

8 For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.

9 For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

10 For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater:

11 So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

12 For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands.

13 Instead of the thorn shall come up the fir tree, and instead of the brier shall come up the myrtle tree: and it shall be to the LORD for a name, for an everlasting sign that shall not be cut off.

I hope this helps. If you have any insight into the area of forgiveness, please let us know, Thank you;

Dear HASHEM + Holy Spirit + Jesus Christ:

Please forgive my hatred of (name of persons) and replace those feelings with feelings of love. I know that all people are Your people, and I must extend love to them. Help me love them and have good feelings about them, and think of them in a positive light. Take away all negative feelings and make it all work out so that I can be free to think good thoughts.

Holy God help me find peace and replace those feelings with feelings of love.

I ask all these things in the Name of Jesus Christ.

Amen.

In Closing.

Like I already said, HSC is a Plan that God, the Holy Spirit Unveiled to me, for the Healing of a Nation, and reversing the drug and alcohol problems and so many Social problems that we face.

I believe that HSC, has been prophesied in the book of Micah chapter 4 and Isaiah chapter 2, which tells of A worldwide move of God, and that people will go into the mountain of the house of the Lord, and the Holy Spirit will “teach us of His Ways.” (Definitely speaking on the Holy Spirit, because the Holy Spirit is who teaches us.)

This was very difficult for me to download and absorb from the Holy Spirit, and it costed me everything, my life and family.

This is not just saying the words, “God Loves You.” This is God giving you the tools to make your life And society better. Make more friends, and help others at their core.

As bad as I am at communicating, for instance, I would so appreciate your help in making this Plan, which is God’s plan, a reality.

I have tested this many times and I know it definitely works well. It would probably work better with more people doing it.

When doing this for a few days, you may become emotional. This is what is called ‘the circumcision of the heart.’ But you will gain an understanding that you did not have before. You will understand biblical things in an intimate way. You will see that this plan is doable for the masses.

When you begin applying this, slowly the answers to all your questions will be answered, Don’t feel bad because you did not know this information; I would never have known it unless the Holy Spirit took me by the hand and showed it to me.

Thank You for taking time to read this.
