

Hello, this is Ray DeFiore, and I was Elected by God, the Holy Spirit to be at some point the President of the United States, so because I have been Trained by the Spirit of God on how to deal with these problems, I will be acting as Interim President until you can get somebody better or who has a better plan.

I fear God much, but I am speaking Under the Authority of God, in saying that the Spirit of God has Downloaded a Plan for America to me, to the American Citizens that is also for the Protection of the people and for the Healing of a Nation, which God desires to do. The real Truth is what God Sees, not what we see.

So HSC is Our plan, but is also your plan to begin reversing so much evil and mental damage that has been forced on this people.

So in this short video, I will just talk about what I need you to do immediately to get started in implementing God's Plan which is HSC.

Of course Just go to <https://RayHSC.com> or go to <https://www.holyspiritchristianity.com> and Click on and download to your computer the 2 PDF documents 'Your Temporary Prayer Notebook', and also 'Prayer Packet'.

This plan of HSC must be done immediately, Because the 'Spirit of Truth' will show and teach you things, and show Himself to you in your mind. The Holy Spirit is the Key to higher knowledge and higher learning, and higher consciousness, Higher consciousness such as Love, and getting free from all addictions.

So when you have these documents printed out, than fill out and think about the 'Basic Life Questions' in the Prayer notebook. Make sure to be honest with yourself and fill out question number 3, which is what you need to overcome. Than, pick out a prayer from the Prayer packet, and transfer this prayer, but modified to your own liking and personality, to your prayer notebook.

It is very important to not change the way these Letters to God are addressed, for Instance 'Dear HASHEM + Holy Spirit + Our King Jesus Christ:'

Do not change the way these prayers are addressed. There is things of course that I have to go over with you, but the questions that

you seek will slowly be answered to you by the Spirit of God. It will make more sense to you and it will feel good to you as time goes by.

Now having said that, remember that this is God's plan for You, and Your family and Friends. These are not my ideas, this is God's thinking.

Once you have made your prayer, and it feels good to you as you are reading it off to Our Creator, than begin immediately.

First read off the first two prayers in your prayer notebook, the Acceptance of Jesus Christ as Our King Prayer, than read off the Holy Spirit Permissions prayer, *REVERENTLY, IT MUST BE REVERENT, NO MOCKING.*

Than read off your prayer to God that you wrote, and you need to do this several times a day. Do this several times a day, and the character of your prayer must be good. I already know that many of you feel bad in your moods because of no breakthrough, but make a mental note of reading off your prayers to Our Creator, and put in on the refrigerator if you have to. Make notes to yourself to go into your prayer notebook and read off the prayers that you wrote.

You are giving the Holy Spirit Permission to help you, and even tell you what you should do, so you are coming into some Higher consciousness and even Love for Others, because God is Love.

Now you may, after a few days or a week become emotional, and this is what Moses called the Circumcision of the heart. The Holy Spirit, which is the Spirit of Truth, is coming over you to start the Noble task of healing you, and others. This Act, which is Circumcision of the heart, may be necessary so that He can speak to you and you can know His Voice, which will later turn things in your life better, towards getting a breakthrough.

I need you to start implementing HSC immediately, and if you live in North Carolina, near the Greensboro area, please call me up at (336) 482-7673 and I will tell you where we can meet and set up a time.

Of course there is many things I have to go over with you, with the things that I have learned.

But this is something that I never speak on, about money.

Hotel rooms cost money, so does business cards, fliers, marketing campaigns and everything costs money. I need a car presently, but I am glad I am driving a scooter right now. But I need a car to go to other states and speak with people. I have it in my future plans to speak at elementary and high schools, and I want to visit hospitals with sick children, and just doing stuff that God lays on my heart at the moment.

I have decided to stay on the ground as far as travel goes around the country. So I would need a car to tour around the Country So I would ask you, since we are all in the same boat, to please donate to this Cause of God Healing our Nation, and put some money, whatever you can do, to the donation page of my website, <https://RayHSC.com> or <https://www.holyspiritchristianity.com> .

As far as my Views are concerned, I can promise you this; that none of you will agree with my Views, Christian or otherwise. I am telling you that this plan of HSC is Truthful, and I am ready for all the hatred and ridicule, but I love America very much and I do not want us going down this road. My views are based on love towards God and humanity.

This plan of HSC is the most stationary and fixed of all Doctrines. While there are several doctrines in the Bible, but One Truth, HSC is a stand alone, the very foundation of all biblical teachings, because the theology is within this Doctrine, the Holy Spirit is the Teacher of this Doctrine, wherever that person is presently at.

I thank you for listening to me and I also thank you for any donations you could possibly do. I appreciate you, Thank you and God Bless, God Bless America.
