

Why do you Need to Know HSC?

I have thought about writing an article on why HSC is a must in your life.

It is impossible for you to know all the reasons why this is so important especially in the year 2022.

This for me is the most difficult thing for me to come to terms with: that I know things that most people don't know, not at all because they are stupid, but because it is hidden knowledge.

And what for me is incredibly hard for me is to communicate is the positive aspects of HSC, the Blessings, without telling you the other side of it, namely that you have to do this, because there are people and agendas, that want to kill you, namely the New World Order Agenda.

I have decided in this article to not cite all kinds of different things taken from different sources to somehow prove to you I am right.

You are probably a smart person and you can put 2 and 2 together and you know how to do your own research into what I am saying. Most of you will not; because it might scare you into what you will find, How truly evil and dark the New World Order agenda really is.

I have had a mental and emotional breakdown from knowing what the New World Order agenda is. I simply wanted to tell you that there is no option other than HSC, which is the application of God's Law, taken from Moses writings.

All of Humankind all around the Globe has a terrible Glitch in their psyche, and that Terrible Human Glitch is that No matter how something never works after decades of trial and error, we never learn. We as humans do the same wrong thing for decades and we waste our entire lives on doctrines that don't work, and they do nothing.

Socialism doesn't work so Bernie Sanders reinvents it and repackages it and sells it to the public. It will not work, and it will never work, because they have taken God out of Human affairs.

What about Our Minds, the Power of our Minds? I have gotten a few books by a man named Paramahansa Yogananda, and to be sure, he was a Spiritual power house, I mean this guy was powerful.

I thought that this guy was really interesting, so I wanted to read up on him.

And in India, a poor country, there are gurus that I would say do have some Spiritual power, they can make healing actually take place, they can know things that are amazing. I have read about a man in India that was attacked by a police officer, where his arm had been brutally severed, and in one day, that same man through will and concentration physically healed his own amputation!

They can know when somebody is about to knock on their door, and who that person is, they can communicate telepathically. I have seen a man who can start fires on leaves just by concentration.

But these Gurus of Hindu India do prove two things about the Mind! The first thing that they prove is that there is power within the mind to do some things. They also prove that in all their meditation and concentration, and their chants, it will do nothing for the Nation that they are living in. It will prove that it will do nothing for the problems of a Country, whether it be homelessness, poverty or Drugs, or hopelessness, or famine.

I have a heart for people that get caught up in the Unity Movement, because in my own journey, before 2012, I did this too, because I needed something to work, and it seemed, intellectually, that the Mind and Faith would make things happen in my life. I mean, everything does seem to reinforce this doesn't it? Jesus talked about the Importance of having Faith. The Bible talks about it.

I thought possibly saying OM or positive statements and maybe doing mental techniques would help me in my Life. So I wasted about ten years of my life, or more, doing things that are not proven and have never been proven. I have stayed in the Master Key system by Charles Haanel, and this writing sucks you into a vortex tornado of Untruth,

that will take you down an endless sea of nothingness, and about a decade of wasted time, and nothing to show for it!

And also I have stayed in the Science of Getting Rich by Wallace Wattles, and the Secret by Rhonda Byrne, so I am well acquainted with these type of readings.

I also have sought knowledge, real knowledge, into the real questions of life that are so important.

The Question that drove me was “How do you Stop a Tyranny?” I have had a breakdown in 2008, from seeing and knowing what the NWO agenda is. So of course I wanted to Protect myself from this Agenda.

So what is the NWO agenda? Basically to completely destroy your life, your family and your children, and your Nation. And I mean to Completely destroy this Nation, to increase the Murder rate, increase Suicides, no families intact, and to make you personally, homeless.

That is really what they want for you. This is their wonderful plan, that the Controllers have planned for over 70 years!

An easier way to understand it is this:

Take the most powerful corporations in the world, Black Rock and Vanguard. They own damn everything that you buy. If you buy a grape or a raisin, that company is owned by Black Rock and Vanguard.

So I am telling you, they own everything, every institution, they own all colleges, and Universities, all mental institutions, they own all prisons and Jails, they own all television networks, ABC and Fox and CBS, they own them all. They own all Publishing houses, and magazines, and also, *They Own Your Government!*

They own Tony Fauci and they Own the World Health Organization, and they also own all Pharmaceutical companies that produce the Vaccine.

So in your mind, imagine the Entire United States Land Mass, and all around its border is Gigantic, colossal Television Screens, Hundreds of Miles High, where everyone in the United States Must listen to the Propaganda ministers, the television anchors, who are all loudly

proclaiming that you Need the Vaccine, to wear your masks, that you will die of covid; CNN, and MSNBC, and all the rest of the Media, all loudly proclaiming the same message in Unison that it is to help you, but in reality it will kill you, which is their aim, that is their goal. They get what they want, and that their message is so over powering, that you give in.

You will voluntarily walk to your own death, or slaughter. You are sheep going to the slaughter.

It is so over powering that your mind accepts it as fact. If anyone tries to tell you otherwise is futile, they're wasting their time, because the brainwashing has done its job. You will gladly accept the Satanic doctrines that they espouse. *But you know of course, that this is your own thinking. You know that these are your own ideas. Abortion is a woman's right to choose, isn't it?*

What if Grandpa wanted to jump from a 20 story building, and he says he can do what he wants with his Body. It's his body after all! He can choose.

The real facts are, if we put logic to the test, is that it is Not his body or her body, that this is traumatic for everyone involved, family members and friends. And boyfriends and husbands and the young women themselves, who are so traumatized for years, that she cannot have any good relationship with men for the rest of her life.

And all of society is traumatized because of these acts.

I have been in jail and prison and a mental institution, and I have studied the NWO agenda close up and personal. I have read books, a bunch of them, and studied what they do, but I am not an expert in the weapons that they use.

Unfortunately, I am probably the only man that knows the solution to get out of this mess.

And I am telling you this, that HSC, which is the application of God's law, given by God through Moses, is the only Truthful doctrine that will help us as a Nation and bring back good families, and give us a good future. HSC is God, working with you to create a good future for yourself.

And I wanted to say something to the Christians, if you are listening. I love the Church of Jesus Christ, and I like that you have prayed for our Nation. And I love the Great things that Christians have done. I admire the men or women that go to prison ministry on Wednesday night after working a job, not to get paid a red cent. To me they are the best of the bunch! And they do it with no recognition or praise from anyone.

And to the millions of Pastors and Believers who are tired, tired of not having a breakthrough, that we all need a breakthrough, this is your answer! This is your breakthrough.

To the biblical skeptics: I have listened for the Voice of the Holy Spirit of God since 2012, and in that time I have downloaded information from the Holy Spirit of God, and I would have to say that this is Doctrinal perfection. I am not just saying that boastfully bragging. On this website, I have put the Presidential seal on it.

But I would have to say that Jesus also puts His endorsement on it, and also Jesus practiced this doctrine. Moses also puts his seal of approval on this doctrine, and God Himself puts His seal of approval on this Doctrine.

In this time, I have been extremely conflicted in myself for many years on truth and error, and I have been conflicted in many things. A war going on. The last thing I want is you to be conflicted as bad as I was. I am telling you point blank that this is Doctrinal perfection. It is almost impossible to simply pick up the bible and come to this Truth, which is the Greatest Truth that has never been told.

Why is this the Greatest Truth that has Never been told? Because this is the only Doctrine in the World that can bring about a Free Country, and Free Souls, Free People. The Greatest Truth that has never been Told, is that by Teaching people on the application of God's Law, which is never Static, but always Dynamic, people coming Under the Leadership of the Holy Spirit, can have a great exciting life and Future, and that by Listening for and Obeying the Voice of the Holy

Spirit, that they will come into Higher Knowledge and Consciousness, such as love for others and Humanity.

The biggest worldwide problem facing all of humanity, in all Nations is they know about the Holy Spirit, they know what the Bible says about the Holy Spirit, but they really don't know the Holy Spirit.

They don't know How the Holy Spirit Operates, and that they don't have "To Wait around" for the Holy Spirit to do something.

What the masses of the people do not know, is that it is possible to connect your mind with the Mind of God, and download information from the Holy Spirit.

It is possible, believe it or not, that you can download information from the Holy Spirit and become educated just by doing that!

Very few people have done this.

One woman who did this was Harriet Tubman. From a young girl, she prayed and prayed to escape slavery. And she began listening to the Voice of God, and she escaped through the Underground railroad, which was friendly house to friendly house.

She finally made it up north and she was Free! Than the Voice of the Holy Spirit told her to go back and rescue more slaves, and she did. Amazingly, she helped 300 slaves escape Slavery in the South.

Yet she could not read, supposedly uneducated. She lived a full life and was buried with military honors. Yet she was completely invisible to the bounty hunters who were looking for her.

Evangelist Reinhart Bonke preached in the continent of Africa and reached untold millions, and died in 2019 with incredible honors, and a full life. He listened for the Voice of the Holy Spirit.

Pastor David Wilkerson was a young pastor in Pennsylvania, and the Holy Spirit told him to go to New York City, and preach to gang members. He even went into court and pleaded with the Judge to let them out into his care! He Listened for the Voice of the Holy Spirit, and

started Times Square Church and started Teen Challenge, helping many young folks get off of drugs and alcohol. He did amazing things.

He influenced many young men in the Way of Christ, me being one of them.

And Here is the Greatest one minute theology lesson of all time. I don't care what ministry you have, connect your mind with the Voice of the Holy Spirit of God, and to heck with eloquence or wording of speech, Listen for the Holy Spirit of God continuously, and you will do Amazing things in your life with a Proven Doctrine.

HSC is a Proven Doctrine, you can test it for yourself over and over again, and after one month, you will be sold for the rest of your life.

You will know God in an intimate way, and knowledge will pour into you. There is possibly new music styles, and new sciences, and new art forms, and an entire plethora of possibilities that you are unleashing.

Hopefully, I just want to teach you the basics, and after that you will see God in a New way, and it will blow your mind!

**I hope that this helps.
Sincerely, and with Love,**

Your President,

Ray DeFiore

Acting as Interim President of the United States.

PS: I usually stay away from the technical side of Why this Works, but I will say this. America has become a very demonic Nation, unfortunately. Why did this Happen? Because you cannot go forcefully into people's brains and minds and rearrange their thinking without severe consequences. (I am talking about Psychological operations, Warfare.) Because of this, we have serious problems with demonic

activity and mental illness. ***The Holy Spirit of God is a Consuming Fire, and Demons and Satan hate fire:*** The Holy Spirit and Demons cannot coexist. The demonic activity will cease, and many people suffering with mental wounds will be healed and much suffering will cease.
