

## **Relationships; The Romance of God, and Being Happy.**

### **Part 1: HSC is a Perfect Doctrine.**

**The First thing that I wanted to draw you to is that HSC, which is the application of God's Law, is a Perfect Doctrine. I am not saying in any way that I am perfect, I am saying that HSC is a Perfect Doctrine.**

**While I am just a man, and I can easily fall into sin or scandal, what I am giving you, (which I have downloaded from the Holy Spirit of God) is a perfect Doctrine.**

**First of all, let's look at a quick summary of HSC in practice and what I am asking you to do.**

**The First thing is to simply print out these two PDF documents, Your Temporary Prayer Notebook, and the Prayer Packet.**

**(You Must Write things down in your own handwriting, this is absolutely crucial for your success and for God to create a great life and future for yourself!)**

**You also Must have a hard copy of these documents, you cannot read them off of your computer!**

**Now just open the Temporary Prayer notebook to the Basic Life questions and fill out these four questions. With question number 3, be honest with yourself and answer it honestly. If you have a drug problem or alcohol problem, just be honest with yourself and God what you need to overcome. We can call the Holy Spirit rightly, the Overcoming Spirit, because this is His Specialty. Anything under the sun is Game, overcome Depression or anxiety, or any sexual problems, or back aches, or anything under the sun. What are you dealing with, Really? It is none of anybody's business, it is just between you and God.**

**So think about that and write it down.**

**Now open up the Prayer Packet and pick out a prayer and modify it to your own liking and make it feel good to you as you are reading it**

off to Our Creator. Once you have picked one out, than read it off to yourself, and if it feels good to you, than read it off to Our Creator everyday at first, maybe several times a day, whenever is necessary.

At first, read off the first two generic prayers that I wrote, than read off and pray to HASHEM + Holy Spirit + Our King Jesus Christ, the prayer that you wrote. Do this several times a day at first. Put your Prayer notebook in a place that you will remember to do this.

Now after several days or a week of doing this, you may become very emotional, and it will not make sense to you. You must continue to do this because the Holy Spirit of God is coming over you to start teaching you stuff and working with you.

This is called the Circumcision of the heart, described in Deuteronomy Chapter 30, located in the back of your prayer notebook. You are on the Right path.

You are giving the Holy Spirit your permission to help you. The Holy Spirit has a rule to follow, He needs your permission to help you. This is why I call them Prayer/permissions.

You will begin getting this in a few weeks, but you will begin Listening for and Obeying the Voice of the Holy Spirit.

***You Must go against all fears!*** It takes Courage to begin Listening for the Voice of the Holy Spirit, because you are going against ALL false doctrines that you have been told all your life. Or it also goes against ALL Brainwashing and Indoctrination, and if you unknowingly have been involved in a Cult mentality, ***this Doctrine will go against all that, and all types of fears, and Even Bible Scriptures will come against you to NOT do this!***

Pay attention to my story that happened to me. And How the Holy Spirit Rescued me from believing these lies.

When I discovered this Doctrine in 2012, I did not have anybody teaching me and no mentors. Literally the Holy Spirit took me by the hand and began leading me and teaching me this stuff.

And all these Fears came upon me because I was crossing all types of boundaries. I became very apprehensive, that somehow I was Blaspheming the Name of the Holy Spirit, and Scripture, mostly from the Gospels, Matthew, Mark, Luke, and John, was coming against me to NOT do this.

All these Fears came upon me, because I am one who Fears God greatly. I do not want to do something out of order.

So when these fears came over me, I would open up my KJV bible and read aloud Deuteronomy 28, and I would have to reinforce myself over and over again, for about a month, That this was God's own Truth, and that "*I was not sinning by expecting to listen for the Voice of the Holy Spirit.*"

In time my fears went away, but I was conflicted still for long periods of time.

After several months it became clear to me that this was the Right way that God Himself ordained, and all of those fears, I realized later, was that I was going against all the Brainwashing and false beliefs that I had all my life.

I do not know so much about how women are wired, but I think that this is especially True for men. Now after you have read your prayers off aloud to Our Creator, than turn to the back of your Prayer Notebook and Read off aloud Deuteronomy Chapter 30 and Deuteronomy chapter 28:1-14 and then read off Deuteronomy chapter 8.

What I am hoping for, is that by men doing this, is that they will see the Greatest Truth in the World, that has never been told. It is all right there. *Once any person sees the Greatest Truth in the World, all revolving around "Who are We Listening to?" than we will see a big payday, and a better life in Our Futures!*

**It is important to read aloud these chapters in the back of your prayer notebook, and in fact it may be essential, the reason being is that you need to recite aloud parts of God's Law, brought forth by Moses, because you must reinforce in your mind, that this is indeed God's Command. Simply put, you are going against a lot of things that are against you, such as false beliefs, that keep you in a tormented prison of your mind.**

**You may never be truly Free, until you start praying to the Holy Spirit + HASHEM + King Jesus Christ, and when bad thoughts come, you must reinforce your resolve by reading aloud these chapters, that this is God's thinking and God's command. I did not invent this at all.**

**Just would like to say a word to Ladies. From my perspective and Belief you are a Helpmate for man, in other words, that you are a support system for men.**

**Just like Eve was made out of the rib of Adam, the rib is a support system of Adam.**

**In Proverbs chapter 8, it speaks of the Sister Spirits of Understanding and Wisdom. These are the Feminine Spirits but we never pray to them. *We are never to pray to them!***

**These Sister Spirits are brought to men when they are doing something beneficial for humanity.**

**I will reprint Proverbs chapter 8 here, but there is point that I want to show you.**

### Chapter 8

1 Doth not wisdom cry? and understanding put forth her voice?

2 She standeth in the top of high places, by the way in the places of the paths.

3 She crieth at the gates, at the entry of the city, at the coming in at the doors.

4 Unto you, O men, I call; and my voice is to the sons of man.

5 O ye simple, understand wisdom: and, ye fools, be ye of an understanding heart.

6 Hear; for I will speak of excellent things; and the opening of my lips shall be right things.

7 For my mouth shall speak truth; and wickedness is an abomination to my lips.

8 All the words of my mouth are in righteousness; there is nothing froward or

perverse in them.

9 They are all plain to him that understandeth, and right to them that find knowledge.

10 Receive my instruction, and not silver; and knowledge rather than choice gold.

11 For wisdom is better than rubies; and all the things that may be desired are not to be compared to it.

12 I wisdom dwell with prudence, and find out knowledge of witty inventions.

13 The fear of the LORD is to hate evil: pride, and arrogancy, and the evil way, and the froward mouth, do I hate.

14 Counsel is mine, and sound wisdom: I am understanding; I have strength.

15 By me kings reign, and princes decree justice.

16 By me princes rule, and nobles, even all the judges of the earth.

17 I love them that love me; and those that seek me early shall find me.

18 Riches and honour are with me; yea, durable riches and righteousness.

19 My fruit is better than gold, yea, than fine gold; and my revenue than choice silver.

20 I lead in the way of righteousness, in the midst of the paths of judgment:

21 That I may cause those that love me to inherit substance; and I will fill their treasures.

22 The LORD possessed me in the beginning of his way, before his works of old.

23 I was set up from everlasting, from the beginning, or ever the earth was.

24 When there were no depths, I was brought forth; when there were no fountains abounding with water.

25 Before the mountains were settled, before the hills was I brought forth:

26 While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world.

27 When he prepared the heavens, I was there: when he set a compass upon the face of the depth:

28 When he established the clouds above: when he strengthened the fountains of the deep:

29 When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the foundations of the earth:

30 Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him;

31 Rejoicing in the habitable part of his earth; and my delights were with the sons of men.

32 Now therefore hearken unto me, O ye children: for blessed are they that keep my ways.

33 Hear instruction, and be wise, and refuse it not.

34 Blessed is the man that heareth me, watching daily at my gates, waiting at

the posts of my doors.

35 For whoso findeth me findeth life, and shall obtain favour of the LORD.

36 But he that sinneth against me wrongeth his own soul: all they that hate me love death.

**Now here is the point I want to show you.**

**I consider Listening for and Obeying the Voice of the Holy Spirit as Like building the George Washington Bridge. If I asked you to build the George Washington bridge, the simple reply is “I don’t know How.”**

**Exactly, you don’t know how. How will you convince thousands of engineers to go in on it with you, and spend thousands of man hours into designing this bridge, when you can’t pay them a red cent?**

**How will you convince the city councils and government officials that they need to put all this money out, to build this bridge?**

**How will you convince anybody that they need this bridge?**

**You see, it is not enough to have the resources or the intelligence, and brain power to build this bridge.**

**You Must have Wisdom and Understanding, you must have an Understanding of the stress points of steel, because without the proper Understanding of the stress points of steel, or the mathematics involved, every bridge in the Nation will collapse. It is not enough to have Intelligence, or Brain power to build this Bridge, that God, through you is trying to build.**

**It was God, working through John Roebling, a German Engineer, that designed and began the project of building the Brooklyn Bridge, connecting Manhattan with Brooklyn.**

**But unfortunately John Roebling died involving an accident with his foot, and his son Washington Roebling took the project over in his father’s stead.**

**However he also became paralyzed with an illness from frequent trips to the underground caissons.**

**So it was Emily Warren Roebling, Washington’s wife that played an instrumental role in the project management, and provided**

communication between Washington Roebling and the workers to complete the project.

So God, having His Purposes, sends the vision into a man, and that man having Intelligence, and with doing something or making something remarkable, going against all the skeptics, the Spirits of Wisdom and Understanding are then sent from God towards the fulfilling of God's Purposes.

However, if the man's purposes are evil intentions, such as robbing a bank, or being a hit man, than the Spirits of Wisdom and Understanding will flee from that man, and he becomes an idiot, in prison for many years, always trying to con his way out of things, because he is an idiot.

You see, if what a man is doing is good before God, such as performing open heart surgery, to help people live, than God sends the Spirits of Wisdom and Understanding to help that man figure out a way to help him help patients.

You see, we never pray to these spirits, we pray to Our Creator to do His will on Earth.

And if God puts it into a man's heart to one day have a Great Music Ministry, and he writes down his intentions and his prayers, than God will see his good intentions, and send the Spirits of Wisdom and Understanding to him to help make his intentions, which are wrought in God, to make them work in the here and now, this reality.

Now finally, after many years of trial and error, we have Finally built the George Washington Bridge, and after the bridge is complete, many people can now walk over this bridge, to the towns of Happiness, Illinois, or Promised Land Pennsylvania, or Marital Bliss, California, or Freedom Colorado.

Of Course this bridge is Completed, which is HSC, the application of God's Law. So hopefully, folks will walk over to Marital bliss, California, or Happiness Illinois, or Freedom, Colorado.

**Anyways, the Feminine is every bit as important as the masculine. Both energies are equally important.**

**So when a man's intentions are wrought in God, the feminine appears. So this saying has a point, "*Find your calling, and She will meet you there.*" I personally think this has a point.**

**I know as a man, that many many men will have tons of internal conflict with this Doctrine. It goes against most mainstream logic.**

**The only way to resolve this conflict is to simply look at what I am saying to do; and ask yourself, is it ethical and moral, is it morally or ethically wrong to do?**

**And to then do it, because the Holy Spirit will then come over you and start showing you stuff, and teaching you stuff.**

**You will have to measure your success in month intervals, like at the end of three months, do you know more, is your life somewhat better?**

**Did your knowledge increase, did you or your kids get off drugs? Are they better? If your wife did this, is she better? Are you happier in your marriage, do you feel more connection with other people? Is your health better?**

**Than keep doing this!**

**Of course it is good to do this by yourself in your home, and this is personal between you and God, for it is God, working with you to Create a good life and future for yourself.**

**Which is good enough. But why in the world would I want to push you out of your comfort zone, and do this with a group of other people, complete strangers to do this together?**

**Of course I want you doing this by yourself at first. But I would like Us to do what Moses did with the Children of Israel, which is to "*Break up the Psychology of Trauma, with the Spirit of Truth,*" which is the Holy Spirit, and have Connections with other people, and have much more unity among people.**

**You see, we need to “Break up the Psychology of Trauma, and the Psychology of Tyranny”, with the Holy Spirit of God, by being on the Same Page, Literally, reading from Our Prayer Notebooks Together.**

**Of course, just being real with you, every last one of us is messed up in some way. If you are not hooked on drugs or alcohol, you have some other issues going on.**

## **Part 2: Relationships; The Romance of God, and Being Happy.**

**I am hoping that most of you, like myself like animals.**

**I have a liking for animals, and I also have a respect for the animal Kingdom. I believe that animals serve a greater purpose than merely being shot by a guy with a shotgun, or being exploited by mankind, for monetary gain.**

**It is important that of course we do a checklist in our minds regarding the animals that we bring into our lives, because there is Our lifestyle choices, but there is also the animals needs.**

**A Golden Retriever has different needs than a Pug or a cat.**

**If you are blessed with a large house and have little children, and a big backyard, a Golden Retriever may be a good fit for your family, because a Golden Retriever is good with children, and he needs to exercise himself in a big backyard.**

**If you are a dog lover but live in a trailer, and you don't mind walking him when you get off of work, than a smaller dog might be a good pet in your house, because he doesn't need a very big space, but a small canine will be glad to watch television with you.**

**But of course if you live in a one bedroom apartment, you'd never get a horse, unless you lived in a ranch, and even then, you would do**

**research into how much it costs to have a horse, and what is required into taking care of that horse. How about Veterinary medical care? Are you prepared into taking proper care of that animal?**

**The point being is that we have this entire checklist in our thinking, hopefully, that we are not just thinking about what we want, but we are thinking about what the animals needs too.**

**It is very cruel to take a large dog and chain him up to a tree in the backyard of a house, and when it is raining or cold out, to not take him inside. The dog will feel abused and not loved. It is no longer what we want, it is about what the animal needs and requires.**

**It can be comical when animals from different species have love for each other and play together. A cat and a dog can have fun together and play together, and the cat, with retracted claws, will swat the puppy, and the puppy will yap and run around.**

**The point being is that in terms of the animal kingdom, we can see obvious things, we can look objectively at the scenarios playing out before us.**

**But we also cannot see our own misguided perceptions, and that these Misguided perceptions can take us down the wrong track.**

**What it is impossible for us to see is what is inside the minds of other people, what is really inside of others.**

**It is hard for us to see, or perceive the world as it really is, that there are predators among us.**

**I have spent 5 years and 10 months in jail and then prison, and it was in a jail cell that I began to “See what was wrong with Humanity, and their mistakes.”**

**And since 2012, I began Listening for and Obeying the Voice of the Holy Spirit.**

**And it was in prison that I began to see all of humanity ‘through the Eyes of Moses, and I saw and knew why Moses said what he did.**

## **I saw and Knew Why Moses said to the Children of Israel in**

### **Deuteronomy Chapter 6:**

1 Now these are the commandments, the statutes, and the judgments, which the LORD your God commanded to teach you, that ye might do them in the land whither ye go to possess it:

2 That thou mightest fear the LORD thy God, to keep all his statutes and his commandments, which I command thee, thou, and thy son, and thy son's son, all the days of thy life; and that thy days may be prolonged.

3 Hear therefore, O Israel, and observe to do it; that it may be well with thee, and that ye may increase mightily, as the LORD God of thy fathers hath promised thee, in the land that floweth with milk and honey.

4 Hear, O Israel: The LORD our God is one LORD:

5 And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.

6 And these words, which I command thee this day, shall be in thine heart:

7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

8 And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes.

9 And thou shalt write them upon the posts of thy house, and on thy gates.

**I saw and knew the reasons why North Korea became the way it was, and why there was so many starving people in that Nation. I saw all dictatorships and the human suffering, what happened in Russia under Lenin and Stalin, and these worldwide problems.**

**I can see the anger in this country, and the protests, and how futile it is to protest to Satan to change his mind and be nice.**

**It is also an evil to follow any man and falsely believe he is there to help you. He is not one of you.**

**Many pastors and theologians falsely claim “That we are not Under the Law anymore.”**

**These pastors and theologians are leading people to their own destruction. They do this ignorantly on the basis of Pauline Doctrine, the writings of Paul the apostle.**

**These are merely repeating what they have been told by the Professors of Theology, they are not taught to question the truth with the Truth; does it match up and make sense?**

**What is the greatest problem with all of Humanity, and why can't we see it?**

**The Greatest problem is that we as people, without the Holy Spirit of God, "We Cannot See and We Cannot Hear."**

**All throughout history, and I believe it is in the history books, but you must look for it, is that God gave warnings to people, and the people had no knowledge in Listening for the Voice of God. They turned a deaf ear to God, because God saw the calamity coming, but the so called sheep had no idea what God was saying. (For instance, in Germany, there were warnings for the Jews not to go with the Germans.)**

**The Covid Pandemic proved to me something very powerful.**

**Not that the Vaccine was more deadly than the Disease, that was not it.**

**It proved to me very deeply, that these so called men of God did not know how to hear from God. Many are dead right now.**

**It makes me question if they knew God at all. Because if they know the written word of God, namely the bible, and they could recite verses and where it says what, if they knew God, and heard His Voice, red flags should have went up, and they would never have taken the vaccine in the first place.**

**And I am telling you first hand, that there is Nothing more important, than knowing and practicing God's Law, which is HSC.**

**When we are thinking about HSC, think about it in this in Term: "The Way Out."**

**It is "The Way Out" of Slavery, which Harriet Tubman has proven, escaping slavery and rescuing 300 more slaves. It is "The Way Out" of Tyranny and oppression. It is "The Way Out" of Racism and hate, as the Azusa Street Revival, from 1906-1909 has proven.**

**Whether it is a Global Tyranny or simple drug addiction, or a Severe Depression, or some trauma, HSC is “The Way Out”.**

**It is also “The Way Out” of being in a Cult, and escaping that Cult. It is “The Way Out”, of escaping sex trafficking.**

**It is also “The Way Out” of this New World Order Agenda.**

**God’s Law supersedes Government law, as in this case, since we do not technically have a government, because a Government’s main purpose is to protect its citizens, and rightfully a true Government entity would not allow exerted force and pressure from outside sources, such as Corporations to infiltrate sectors of Government.**

**“First of all, we do not exist, and we do not rule the world. These are conspiracy theories. There is nothing that you can do to change things. Writing things down like your prayers don’t make much sense. For good health, you should listen to your doctor. If you are feeling anxious or depressed, it might be a good idea to visit the psychiatrist in your community, Maybe they can prescribe you something to make it better. We care about you. Stay Safe” Satan, Reptile man.**

**So in Dating and Romance, we cannot see the things that the Almighty Creator can see. He can see objectively what we cannot, and He can see the Future and what is in store for the person who needs deliverance.**

**We also cannot hear the Voice of God, unless we go through the Holy Spirit.**

**So it is a good idea for women to practice HSC, and not to worry about the hoards of angry women out there that will hate you.**

**Go with HSC and let Him teach you what you need to do, and He will bring you to the right people. He will bring you a nice future and you will be ecstatic, and He will undo your past mistakes.**

**Just remember this! Go against all fears and just do it. Just because thoughts come into your mind does not mean it is from God, or even yourself! These thoughts may be coming from different sources, all of them from unholy origins.**

**For the men I would say that this might be harder for you, because many of us have dug deep holes for ourselves.**

**I say that this is the fastest way to get out of our messes, but when I say ‘fast’, I mean in 6 months to a year and a half. In my own experience, I came a long way in a year and a half in coming out of prison. It is amazing what happened in that time.**

**But for me it feels like a long time. The time in prison was terrible because I was not allowed to take care of my health. So I consider that ‘Reverse time.’ I was not allowed to get progress and get better.**

**I had more hate when I got out than now, so Listening for the Voice of the Holy Spirit over time helped me mentally calm down.**

**For me, I really want people doing this, because it would mean so much to me personally, but you are in good hands with HSC and coming under Our King Jesus Christ, and letting the Holy Spirit lead you.**

**Remember that HSC, which is the application of God’s Law, is “The Way Out.”**

**I am just hoping that if you look at what I am saying, for long enough, you might see “The Greatest Truth that has never been told.”**

**Sincerely and with Love,**

**Your President,**

**Ray DeFiore**

**Acting as Interim President of the United States.**
