

About the Holy Spirit.

Out of all my writings, this may be the most Important.

I have felt that I should give two analogies of the “Experience in your mind” into what I am talking about, before I get into the Nature of the Holy Spirit.

If you can imagine, let’s say we are living in the 1800’s, and I am from the future.

And you of course have never seen a television set. And I am trying to describe a Planetarium to you. And I am telling you how exciting it is to be in a Planetarium, where the “Experience” can be like you are really there, for instance like if, in the planetarium you are on a Roller coaster ride on the giant screen, and it makes it feel like in your mind, you are really on the roller coaster.

I would then have a bad time trying to explain this to you, because you don’t have a frame of reference of ever watching a Television.

Maybe that’s a poor analogy, but here is another one.

Imagine that you are a handsome man, and you are dressed in a black tuxedo, and you are wearing a bow tie. And you are ballroom dancing with a Beautiful woman, outside at night. And above you, in the dark and moonless night, there are fireworks exploding, but you are not looking at the fireworks, you are looking at the beautiful woman you are dancing with, and Her name is Understanding. And you don’t have to know how to dance, because this woman, Understanding will teach you how to dance.

And while you are looking at Her and dancing with Her, you see flashes of light all around your environment. Blue and green and red and orange and white “Flashes of light.”

This is what is going on in your mind, you are dancing with a beautiful woman, and her name is Understanding, and there are “Flashes of Light” all around you. Maybe now that you are at this Website, you can hear some of these “Flashes of Light.” Maybe they can sound Like Spiritual insights that can help you.

Now there are 2 feminine Spirits, and I will call them out. I wanted to get into this topic, because I feel it has some relevance. Their names

are Wisdom and Understanding, these are the feminine Spirits. But we are never to pray to them, never. We pray to God, and if our Intentions are Good, and it is to better people, than God will then send Wisdom and Understanding to us, to help us with our Good Intentions.

God's Intentions towards us is Always to help us in our struggles, our obstacles. True Happiness and fulfillment is always going upstream, it always involves going uphill, going against the tide, going against our struggles and obstacles in this life. If you are going downhill, I mean going the easy way, going along with this world system, doing what you are told to do, you are probably on the wrong Life Path.

Proverbs 3:13-19:

13 Happy is the man that findeth wisdom, and the man that getteth understanding.

14 For the merchandise of it is better than the merchandise of silver, and the gain thereof than fine gold.

15 She is more precious than rubies: and all the things thou canst desire are not to be compared unto her.

16 Length of days is in her right hand; and in her left hand riches and honour.

17 Her ways are ways of pleasantness, and all her paths are peace.

18 She is a tree of life to them that lay hold upon her: and happy is every one that retaineth her.

19 The LORD by wisdom hath founded the earth; by understanding hath he established the heavens.

These two feminine Spirits are given by God to mankind, when a person cries out to God for His help in doing something that is Good for the benefit of humanity. Like for instance when years ago, the first person that attempted open heart surgery, a black surgeon named Daniel Hale Williams, in attempting to save the life of James Cornish, a man who worked on the railroad line, who had received stab wounds in his chest, and Daniel Hale Williams performed the first open heart surgery to save his life.

This is a good article about his story, and compare his story with the above Proverbs Scripture. Read this story, than come back here.

<https://www.biography.com/history-culture/daniel-hale-williams-first-open-heart-surgery-story>

The Spirits of Wisdom and Understanding are given by God when that person is trying in some capacity to help people, like help people in poor nations with Micro loans, so they can start a business. Than, God will see their good intentions to help people, and God will then send the Spirits of Wisdom and Understanding to help that person make it happen.

Just like in the beginning, in the garden of Eden, God made a “Helpmate” for man, to help him be the best man that he could be. To help that man accomplish God’s will on earth, which is always for the betterment of humanity.

But the bad part is that there are people with evil criminal minds, and their only goal is to hurt people. That person will hate Wisdom and Instruction, and then Wisdom will hate that man and flee from him, and he becomes an idiot. And there is nothing worst than being an idiot in this life.

In prison, basically there are two different groups of people. One group of people will take years and years to reflect on their lives, and how, when they are released, they will reform themselves.

The second group is those who only think to themselves, and say aloud, how they are “going to do the crime better when they get out.”

This is why there are so many idiots around us. If they have evil criminal minds, and they seek Blood or revenge, and they are conspiring about how to rob a bank, than Wisdom and Understanding will hate that man, and will flee from him and he becomes an idiot, in prison for many years.

If you have read the above article about Daniel Hale Williams, you can easily see the connection of the Importance of Wisdom and Understanding, and how this world in now a better place because he lived. You can also see in this article, how having Wisdom and Understanding will eventually give you a great life, and honor you and even exalt you in remarkable ways, and this is the doing of God.

If we can say that the Apex, or summit of a mountain, is that You cannot climb any higher, and there is only blue skies above, we can also

say that “The Way”, or adhering to the Voice of the Holy Spirit is the Apex, or Summit of Wisdom and Instruction, there is no higher advice.

Even if a mentally handicapped person vows to adhere to “The Way,” and I mean adhering and hearkening to the Voice of the Holy Spirit, He will live a better life than some very smart guy that is an idiot, for instance someone who is an atheist.

That mentally handicapped person may have many struggles and obstacles, but in heaven, God and Jesus Christ and all the prophets who have died will be throwing up their fists in celebration, rooting that person on, cheering for that person. They will be saying “Yes, Yes, you go girl! You go boy!”

Now let us get into the Holy Spirit, His Nature and how this truly is the greatest Truth in the world for humanity.

One very comprehensive verse in the KJV bible is John 16:13.

John 16: 13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come.

Here, Jesus was calling the Holy Spirit the Spirit of Truth, and this is a very important point.

This is something that I am very passionate about, and I feel really bad about young people today, because they have no spiritual knowledge, and they have been given a “Steady diet of Poison”, and by Poison, what I mean is Crazy ideologies that will destroy their lives, and the lives of people around them, and even their families.

With no grounding of “Real Truth” that can make your life Great, and of course I am talking about the working of the Holy Spirit, these young people, and even older people are a walking nightmare. Many of them are violent, and harboring demonic spirits, because of crazy ideologies that have made them crazy, and movies and television keeps reinforcing this idea “of how cool it is to be evil and wicked”.

Hence, serial killers are exalted in the media, and drug kingpins, and women are told how great it is to be a Jezebel, and to be “Strong.”

But “He will guide you into all Truth,” and this is a very powerful concept, and this is how we can make something great in our lives, and this is central in the importance of getting our Nation back. Here is how we can stop mental illness at the source.

We have our Prayer Notebook, so we write down our prayers and make them concrete in our minds. Writing things down also makes you feel like a Winner, that you are a Winner who is going somewhere very special. That feeling that you are a Winner is True, you really are a winner, but you may not feel like it all the time. But you Are going someplace, by adhering to the Voice of the Holy Spirit and adopting The Way in your life. You are on a provable path!

With no real investigation into the NWO, and because you are a human being, you cannot see how there are predators, behind the curtain, for instance like the Wizard of Oz, that are putting out false ideologies, that they know, they already know, will destroy not only your life, but society itself, than these predators will pose as our Saviors, and provide a “Solution to us”, which is us giving these predators even more power over us to destroy us even more.

A young woman may attend University, but in things like sociology, or some other courses, she has no idea that her professor is spewing out false hoods, for instance like communism, that will destroy her, and even destroy her chances later of even being happy.

This is why “Real Truth that you can Use,” is so important, since the Holy Spirit, who is the Spirit of Truth, and He will guide you into all Truth, and will work on people mentally, to eliminate these false ideologies out of their thinking.

Truly, Ye shall know the Truth, and the Truth will set you free.

Now there are 2 different Truths, or Words, and the first one is the Written word, the King James Version bible.

The second one is the Rhema, the spoken Word of the Lord, that comes from the Voice of the Holy Spirit, and this is the one that we are more concerned with.

So, this Zoom class to me is very important, because I think that you will need some mentoring, rather than going into all the pitfalls and mistakes that I have done.

The application of God's law is to have The Word of the Lord "imprinted on your mind and heart."

Here is verse 13 again:

13 Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come.

"For He shall not speak of Himself; but whatsoever He shall hear, that shall He speak..."

This is the reason why the whole world does not know how the Holy Spirit works, and therefore our Nations and our lives are in so much turmoil. Here the Holy Spirit's job is not to advertise Himself, and He does not boast about how great He is. Instead He points the way to Jesus Christ and He also convicts us of our sins.

But there is a huge point to be made here, and it is really important: and that is that the Holy Spirit is God's Spirit, and He is the "Go between" of us on this Earth, and heaven, where God the Father is, because we cannot see God face to face or we will die. We cannot absorb seeing God in person, so God gave us His Holy Spirit so that we can have a relationship with God, with the person of the Holy Spirit. We can read the bible and the Holy Spirit will enlighten us to the meanings of the

texts. We can, if we were in total mental darkness, with the Holy Spirit's help, come into the light, and we can see the Truth.

If the Holy Spirit hears something in heaven, the Holy Spirit can relay that message to us.

“And He will show you things to come.” Now we are getting to the Crux of my Message, and that is for God to Create a great future for yourselves. In a real way, we are in a War of Futures: One is coerced and forced against your will, and against your best interest, and is highly Satanic, and God's way is Voluntary, but not really, you are Commanded to obey the Voice of the Holy Spirit, or else.

All throughout the old testament, the dominant command of the bible is to Obey the Voice of the Lord thy God, and I wrote a powerful statement in the “About me” section of this website, **and that is that if you will adhere to The Way protocol, and you keep Listening for and Obeying the Voice of the Holy Spirit, no matter where it leads, and do not deviate from it, you will eventually become Explosive, and what I mean by Explosive is that you will do something Great in your life.**

This is guaranteed, you will eventually do something great in your life. It is possible, that if an eye doctor did this protocol, and he goes into it with the intention of curing blindness around the world, he will do exactly that, although it may take many years.

This is because we are going into divine knowledge, and human beings haven't even tapped into divine knowledge.

If you do come to this Class, I will probably tell you that after a few days or a week, you may become very emotional, or you may cry a little bit from your heart, in order to detoxify from the past traumas and disappointments that you have endured. This is what is called The circumcision of your heart. It probably will not make any sense to

you, why you are getting emotional, but beyond that, at some point, maybe two months or 4 months later, the Holy Spirit will begin communicating with you about what your future will look like, and what you are here for, and what is your purpose, to give you a future that is tailor made for you, on what is inside of you.

You will at some point begin seeing visions from God about what he wants for you.

The circumcision of your heart is necessary for God to speak to you, and once you begin learning how to listen for the Voice of the Holy Spirit, keep listening and obeying, and acting on His Voice, so that eventually you will become explosive, and you will do something great in your life.

However, your Big Blessings payday may be several years away, but there is a steady progression. The Way is in a sense the science of life, the science of progression.

As an example, when a man is getting out of prison. The system is designed to make it extremely hard when a person gets out of prison, what the system wants is a higher recidivism rate, the system wants that person to do something stupid to get put back in prison. With no family and no support it can be very hard to stay clean.

However, if there is a good intervention with people that are practicing The Way, and if the ex con has been taught The Way, he will have a steady progression towards sobriety and honest living, and it will be a steady progression of getting better, and in time he can have his own place and a family, and have an all around better life.

If he continues, his trajectory will be the Big Blessings Payday.

Now I have said that The Way is a plan for America, to take us out of this tyranny and out of this psychological abuse. I will try to answer some questions that I foresee that you may want the answers for.

Who is the Holy Spirit? The Holy Spirit is the third person of the Trinity.

In the Trinity, there is God the Father, and God the Son, who is Jesus Christ, the Messiah, and the Holy Spirit.

God the Father goes by many names, but I believe that the best name for Him is HASHEM. I believe that in the King James version bible, I think that using the name LORD or Lord of hosts is wrong, and that is based on the third of the 10 Commandments, not to misuse His name.

The Holy Spirit is the Power behind Christianity. If Jesus Christ did not have the Power of the Holy Spirit, He would have no power, He could never heal people.

The Holy Spirit is our go-between, the Spirit of God, on this Earth, who is also in heaven, where God the Father is. We cannot look upon his face or we will die, so God gave us the Holy Spirit so that we can have a relationship with Him, through His son Jesus Christ.

In order for us to access the Power of the Holy Spirit, the best way is to Listen to what He is saying directly to us, within the parameters of the 10 Commandments, however we must give permission to the Holy Spirit to help us, by praying to Jesus Christ and the Holy Spirit.

How will Listening to His Voice cure the cancers of the United States? The Way is the only guaranteed, proven way to implement, because God's Law is above man's laws.

We must do what is in our best self interest, and that is adhering to The Way doctrine, and for us as a Nation of people, to be on the road of Progression, always moving forward, and getting our nation back.

It is the shadow government that has mostly caused so much sufferings, they are the pupputeers pulling the strings, and we have had many serious warnings by Moses and the prophets, of what would happen if we do not Obey the Voice of the Lord thy God. Moses said it was a matter of life and death, and it literally is that.

This is the dominant Command of the bible, and unfortunately is never taught. This One Commandment, makes all the other

Commandments come together, the entire power of the Bible, and the Power of God works well by adhering to this one Commandment.

Even the sub commandments work better, because you will have a better understanding of why you are doing what you are doing. The entire Bible will work for you by adhering to this commandment.

Do Not believe the Lie that there is nothing that you can do! There is a very strong belief among evangelical Christians, because of statements that Jesus has said, that everything has to play out, that all these prophecies have to come to pass, all these wars and rumors of wars.

Jesus has said this:

32Verily I say unto you, This generation shall not pass away, till all be fulfilled. 33Heaven and earth shall pass away: but my words shall not pass away. 34And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. 35For as a snare shall it come on all them that dwell on the face of the whole earth.

What people fail to realize is that we do not have to go down this road, we have the ability to change the mind of God, as the prophet Jeremiah has prophesied to Israel. Here is the Word of the Lord that Jeremiah said:

Jeremiah 18:5-11 5 Then the word of the LORD came to me, saying,

6 O house of Israel, cannot I do with you as this potter? saith the LORD. Behold, as the clay is in the potter's hand, so are ye in mine hand, O house of Israel.

7 At what instant I shall speak concerning a nation, and concerning a kingdom, to pluck up, and to pull down, and to destroy it;

8 If that nation, against whom I have pronounced, turn from their evil, I will repent of the evil that I thought to do unto them.

9 And at what instant I shall speak concerning a nation, and concerning a kingdom, to build and to plant it;

10 If it do evil in my sight, that it obey not my voice, then I will repent of the good, wherewith I said I would benefit them.

11 Now therefore go to, speak to the men of Judah, and to the inhabitants of Jerusalem, saying, Thus saith the LORD; Behold, I frame evil against you, and devise a device against you: return ye now every one from his evil way,
and make your ways and your doings good.

So this is the way that we should follow. We, by our actions can change the mind of God, and we can turn to repentance and listen for His Voice, so that God can heal the land. And God will begin to change the dynamics.

I am a student of the Azusa Street revival, and the healings, miraculous healing were awesome. I am being rational in my thinking when I say that we need groups of people knowing this doctrine, so that we can have awesome miracles.

I am in there with you absolutely, because we are all under attack in some way. Many people have serious health problems, and they need deliverance. I want you to learn what you can in my Zoom class, to make a better nation, and happier people. I need your help please,

I love America very much, and my new slogan that God gave me is *“Because you Matter.”*

That says it all in three words, doesn't it? Why do all this work and effort? *Because You Matter.* Why come to this Class? Because you matter. You get the point.

I hope that we will meet soon in this class. Thank you for reading this, I appreciate that. God Bless you, Sincerely Ray
