

To All Delegates In North Carolina State Legislator:

Hello, my name is Raymond DeFiore and I have become very concerned about God's Law for many years. Because back in 2004 and 2005 I saw that our country was in very serious danger. I felt very strongly that the threat of the new world order was very real: they were telling us what they would do. I also felt very strongly that we needed a Plan to counter this new world order, because they seek to exterminate the population. N I felt that we are sitting ducks waiting for the Steam Roller of the new world order to run over the entirety of humanity. So therefore we need a solid Plan to counter this threat.

So ever since 2012 I have created a very workable Plan which I named The Way Doctrine Plan, which is the truest truest spirituality that there is on planet earth. It was very difficult to back track and discover what Jesus Christ real message was.

And Jesus Christ real message, was The Way Doctrine Plan.

So since 2012 I have been listening for and obeying the voice of the Holy Spirit: this is where all the promises of God are located..

Just to tell you, People really do not know who I am. People really do not know how deeply I went into things. Who am I really, and why should you care?

I am your Moses. I am the Moses that God gave you. I am the man that will lead us into a Nationwide Repentance.

I am calling for a National Permanent Repentance. Our Problems within our Nation is not because of an evil government, and our problems are not because of Republicans or even democrats, or even the Zionist Jews, that have taken over reigns of power in this country.

The true problems in our nation are a result of the people's wickedness, and God sees this wickedness and laid a curse on our country.

I do not want a national day of repentance, and I do not want a national month of

Repentance, I want a permanent National Repentance, and I know how to pull it off.

This National Repentance must be a True National repentance, it is what I call a Circumcision of the Heart Repentance,, This is where The Holy Spirit will do a Circumcision of the heart, and the purpose of this is for a True Repentance.

The purpose of this will be so that the Holy Spirit can communicate with us better.

This National Repentance towards God will be proven to be the most Important thing that this Nation can do. It is also the healthiest thing that we can do. Collectively our health will get better, and we will get so much happier. This is because of the Promises of God. If God cleans up this toxic environment, we will have cleaner air and cleaner water, and this will result in more health and lower crime and lower mental illness.

Like I am saying, this is guaranteed to work, all these blessings will come upon us and our Nation will be blessed and prosperous.

Always remember reading this that I went very deeply into both the Nature of the Holy Spirit and I also went very deeply into God's Law. I am not just randomly saying these things, what I am saying to you has very big implications for your life.

Remember what I am saying; at this time in our history we need a National Repentance and it is also unbelievably easy. There is only Three easy steps to radically change the dynamics of America.

But I will have to speak with you and also the people of America.

I enclosed a prayer Notebook in this envelope. In this Prayer Notebook there is several Elements.

These are the three steps of The Way Doctrine Plan. My website is RayHSC.com. The URL will say Holyspiritchristianity.com, but this is wrong. I call it the Way Doctrine Plan.

Here is the three steps:

In the prayer notebook fill out the page that says Basic Life questions, especially question 3. Write down what you need to overcome. It can be any sin, pornography or drugs or opioid dependency or Alcoholism. It can even be homosexuality, it doesn't matter.

Also write down what is important to you. Just fill out the Basic Life questions as best you can.

Now in the prayer notebook write down your prayer. Write down Dear HASHEM + Holy Spirit + Jesus Christ:

Helly, my name is Carlos, and please help me with my drug addiction and opioid addiction. And Please help my son with his marriage and help me find a good job, in the name of Jesus Christ. Amen.

So step 1 is to pray pray pray, Read off your two prayers that are in the prayer notebook, then read off your own personal prayer. This will give permission to the Holy Spirit to give you help. But even better, you are opening up dialog between you and the Lord thy God, so

eventually all these promises will be yours and you will look forward to them.

So step 2 is this. I have put three chapters in this prayer notebook. Dueteronomy chapter 30, which s really the gateway into the Blessings of God, and I also put Deuteronomy 28:1-14, which the entire chapter is a list of all the Blessings and Curses if we do not listen for the Voice of the Holy Spirit. And Deuteronomy chapter 8, which is a great chapter.

Step 2 is to read off aloud at least one of these chapters. This is Necessary because we are listening to His Voice for a reason, we want to get paid. This will affix in our minds and give us hope that there is a ‘Big Blessings’ payday, we are not doing this for nothing.

Step 3 is to listen for his His Voice within the parameters of the 10 Commandments. In other words ofcourse do not kill yourself or anyone else because thou shalt not kill. And thou shalt not steal. You get it.

Like I said, I will have to speak with you so you can understand. I will also have to speak with America and how this National repentance

will the best and funnest thing that they have ever done. I will have to talk about how the Way Doctrine Plan will make America and the world so much happier.

Do you want a really happy exciting relationship with a spouse? That is what I am talking about. I am talking about having Blessed Children where they will be healthy and happy.

I am talking about lowering crime, improving the economy and cleaning up the environment.

In my honest belief, Listening for the Voice of the Holy Spirit is THE MOST IMPORTANT Skill that any man or woman or child can aquire. Anybody can doi this.

Whenever there is a Calamity and destruction, there is always warnings from God, but nobody pays attention. I do not care what calamity or destruction there was, there was always a warning, but nobody listens.

For September 11,2001, there was 1993. In the book Night by Elie Wieser, there was a bummish kind of guy named Moishe. They took him on a train to the Galicean forest the gestapo began shooting babies in the air, and shooting at men that dug the hole.

In horror, Moishe esca[ed with a gunshot wound to his leg.

He went back to Sighet, a city in Romania to tell everybody not to go with the Nazis. Nobody Listened to Moishe because of cognitive Dissonance.

I am telling you that God's law is the most important thing in your life, make no mistake.

But people are mentally lazy. They do not see all the destruction that awaits them for not knowing how to listen for the voice of the Holy Spirit.

False pastors in the church have falsely said that we are not under God's Law, so people are sheep going to the slaughter.

Their children get murdered than they cry, than ccurse god in the next sentence.

A 13 year old girl got murdered, she got stabbed 114 times, and this bothered me deeply. This bothered me so badly, because she should have known that she was in danger. Adults should have taught her in church the importance of God's law, somebody should have told her of the importance of Listening for the Voice of the Holy Spirit.

I am saying exactly what Moses was telling the children of Israel, but even Moses failed at this task. Jerimiah, the prophet begged the children of Israel over and over again to Listen for His 'Voice, but the people rejected the word of the Lord, and went into captivity.. However this Silent war is for the worldwide extermination of humanity, therefore this is very important for me to be in front of the people of America, so because I have went weepily into Both God's Law and have went deeply into the Nature of the Holy Spirit, I know what is required i to change the mind of God,, and disband the New World order, and Blackrock.

Read Dueteronomy chapter 6 and you will see.

I am telling you that what God sees us do really matters to our lives. He needs to see us all as a Nation Repent for our wickedness and sins, than He will begin to change things for our good, and it will lower crime and harmonize the sexes, and lower mental illness and make us all so much happier. We will be clean inside our hearts, true Love will rule our hearts.

Ever since 2012, I have been listening for and obeying the Voice of the Holy Spirit, about what to do. And I am very good at listening for and knowing what the Holy Spirit is telling us. And I am telling you that this National Repentance is God's will for us now.

I should say it is the will of the Holy Spirit. I have seen visions of thousands of people writing down their prayers.

**And I did not even get to the real exciting parts!
How about miraculous bonafide healings? I am talking reality. How about blind eyes being healed, how about breasts growing back, even**

teeth growing back, amputated limbs being restored?

Like I have already said, I have went very deeply unti the nature if the Hiky Spirit.

In the Azusa street revival, which happened between 1906 and 1909, there was real bonafide healings. Amputated legs and arms would grow back. There was fire trucks that were called out because it looked like the building was on fire. Blind eyes and teethwould grow back. I love the books by Tommy Welchel., how the saints of God, who were there at the Azusa street revival, as little kids describe their experiences. It was an exciting time.

What you need for miraculous healings is groups of people that know how to listen for the voice of the Holy Spirit to come together and be unified under the leadership of the Holy Spirit.

Than, you will see a heaven on earth. It will help if those people have a bent for Holiness, being separate from this world.

I want to lead America to this National Repentance, for the good of everyone in

America. And I want to come and speak with you at the State legislature office so that I can discuss The Way Doctrine Plan. You can ask me any questions that you would like.

Please help me in any way you can, but I have to speak with America.

My experience with the Propaganda Ministers at the news media outlets is not good. I don't know what planet they are living on, but it is not America. I need to speak with America somehow.

My website is RayHSC.com, you can check it out. My prayer notebook is free, I am giving it away.

Google is a very wicked evil corporation. I do not like them and they do not like me. This corporation, Google what they do is to monopolize the internet. I am not a very technical guy, but because I have made my website, I know kind of how they control the internet.

When I was building my website, I have a zoom account and my goal was to actively give

instructions to people about the nature of the Holy Spirit and God's laws. So google, who controls almost everything on Zoom, will not let me verify my identity. This is the oldest trick in the book. Of course they know it is me Ray DeFiore, and they also know that I do not have a smart phone. I have a flip phone. So I can never verify my identity to make my zoom account work.

This makes it difficult to speak with America. Social media is a nice concept, but Facebook works with google to censor people, and these companies want the destruction of the United States. They want genocide, trust me on that.

This is why I am enemies with Google and Facebook does not want me there.

What it means in the real world is that people will die, being murdered by psychos because it is very hard to tell them this Truth, the greatest truth that has never been told.

My phone number is 336-482-7673. I want to come and speak with you about getting this

national repentance under way, to heal our nation, and to heal women.

In the Way Doctrine Plan, there is only good that will come out of this, there is no bad, no side effects.

I have decided years ago that I would live in the real world. In this evil Real world that we live in, is a Reptilian Race of people, l izard people, and these beings are Satan. It is easy to observe that there is an alien race of people at work destroying peoples lives.

If you will read Cathy O Briens book, the Trauma of America, she tells the story of her being a mind controled sex slave, and she tells of George HW Bush talking about that reptilian race of people taking over the world. And she saw him transform into a lizard man.

Jesus called them Brood of vipers, which we can translate to Lizard people. Just so you know I am not a crackpot. Remember what I said, I know how to listen for the Voice of the

Holy Spirit, and I have went very deeply nto God's Law and the Nature of the Holy Spirit.

This is why Klaus Schwan recommend in this New World order that we eat insicts. Like a cricket or cockroach sandwich. It is because that is their diet, that is the lizards diet!

But here is something that Klaus Schwab will not tell you. We are going into a New Heaven and new earth. I Am not kidding when I said that I am the Moses that God gave you.

Our planet Earth is too toxic, because of Capitalism. This world is too toxic, in many places there is not clean drinking water, there is too much plastic in the environment.

God knew all this would happen.

So, there would be an outoouring of the Holy Spirit, and the Holy Spirit would 'teach us of His ways', and we would go into a new heaven and a new earth.

If you will read Howard Strom's book, My decesnt into death, Howard dies and goes to hell, then he gets saved and Jesus pulls him up to heaven, and in heaven, he is talking to Jesus.

And Jesus and him are talking about the future, and in the future he describes the new heaven and new earth. It is a good book.

Unfortunately, after I built my website, I lost some eyesight, so it is hard for me to read.

We are living in Nahum chapter 3. ; What God has laid on my heart for this national repentance will take us into Micah chapter 4. And also into *Isaiah chapter 60, which you want, believe me when I tell you, you want.*

..

We are living in a Jezebel nation and society, and a man hating government and an anti Christ government. The tyrants want to suppress masculinity.

But I do know the steps that we have to take so that God can look down and see us doing things right.

In Isaiah 60 it says that violence shall be heard no more in thee. This is the plan that The Holy Spirit put on my heart.

Whenever there is a Calamity and destruction, there is always warnings from God, but nobody pays attention. I do not care what calamity or destruction there was, there was always a warning, but nobody listens.

And of course God will change things.

In Isaiah 60 it says that violence shall be heard no more in thee. This is the plan that The Holy Spirit put on my heart. This is the will of God for this nation at this time, I can guarantee that.

We as a nation must begin doing things right, and the Way Doctrine Plan is the preparation for the new heaven and new earth. Wicked evil people will not be allowed in, only those who have the seal of God on their forehead. Lizard people will not be allowed in, Satan will be cast down to hell for a thousand years, so he will not be harassing us any more.

This is the preparation for Holiness, and being the bride that God wants to see.

For this last part, I must talk about warnings. I am telling you that this next move of God will be big vast and huge and exciting. There is always some Jezebel spirit that wants to stop this move of God . Historically, anytime there was a huge move of God there have been people stopping it. I am telling you, don't even think about getting in the way of this move of God.

You will damn yourself for thousands of years. If I were your personal friend I would say to do this as best you can learn to listen for His Voice. Never, Never get in the way between man and His Creator.

I thank you so much for reading this document. It means so much to me. I want to help America, so please let me help America, spiritually. Again my phone number is 336-482-7673. Please call me up so we can discuss this next move of God.

I am nit askng for money as you can see. Please do me a favoir and forward ths letter to people that would want to help. I don't know that many people. But I do know that this is right.

Like I have said, I have dedicated my entire life to this project. There is another option, the new world order, where you and your fmily and friends will all be exterminated, or homeless living under a bridge. Hey maybe the Lizard people will change their minds and be nice and loving. And here, I want to sell you Brooklyn Bridge.

One last thing. You have falsely believed that you have options. Options meaning that you can be a Jew or a Christian or a hindu or an Atheist. You do not have options, there is only life and death, that is all. This is why Moses warnings in Dueteronomy chapter 30 were so important, but again nobody listens!

There is only life or death. Listening for his Voice or brainwashing, that is all.

So please help me or forward this letter to someone who can help me. I need to speak with America. Make copies of this letter and send to people.

My website is Rayhsc.com and if you scroll down a little you will see my prayer notebook. So the public does not even need a USB flash drive. Tell the person to go to office depot and to tell the lady go to Rayhsc.com and scroll down and click on the prayer notebook, and print it out.

It will only cost them about 4.00.

Again I thank you for reading this letter. Please copy and forward.

**Sincerely, and in His service,
Ray DeFiore**
